GETTING INDIVIDUALS STARTED

1

Registration

Each named individual member will be contacted to set up their new account at www.houseofpmo.com/user-registration/

2

Upgrade

The new account will be upgraded to full membership within 24 hours. Then they can access all the content within the members library.

3

Begin

New members can start to sign up for both virtual and in-person events. They will have full access to all event including corporate only sessions.

KICK-OFF SESSIONS

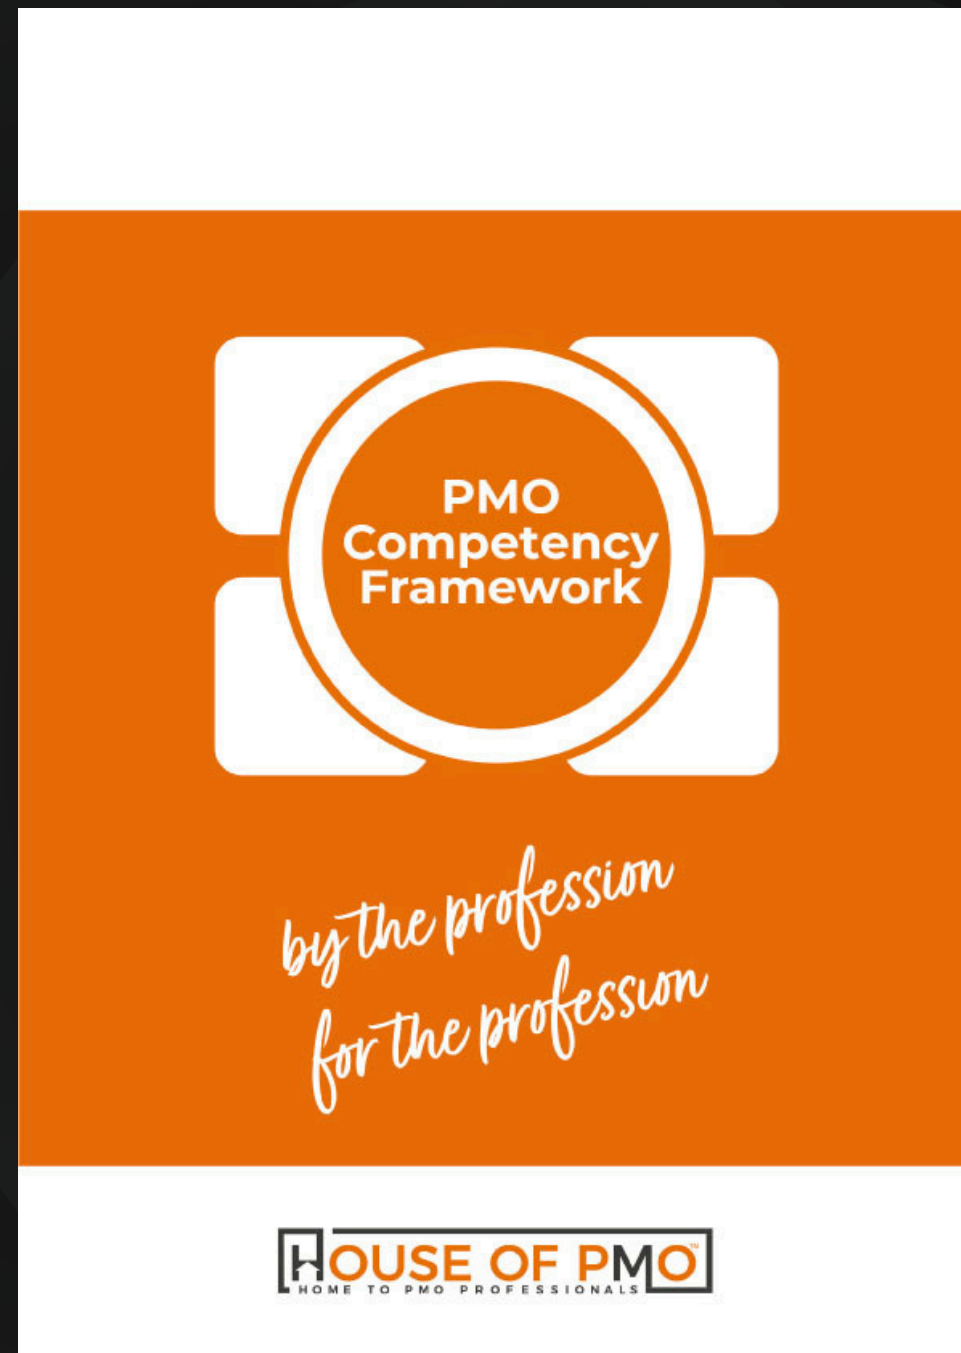

To help your employees get the most out of their membership, the House of PMO will run a session for the whole team at the start of your time with us.

We do this virtually, and corporate members usually run this session as part of their weekly or monthly team meetings. We will work around you and your team to make sure it works for everyone. There are also recorded sessions available for those who struggle to join us at the time.

We make sure that everyone knows how to make House of PMO membership work for them.

LICENCE TO USE THE PMO COMPETENCY FRAMEWORK

Corporate members receive a watermarked PDF copy of the PMO Competency Framework. You can use the content of this in any of your own in-house assessment tools.

Launched in February 2021, the PMO Competency Framework has been created by the PMO profession for the PMO profession.

The guide is for PMO professionals interested in assessing and developing organisation-wide, team and personal competences within a PMO environment.

It is a PMO Competency Framework created by PMO professionals for PMO professionals.

THE SELF-ASSESSMENT TOOL

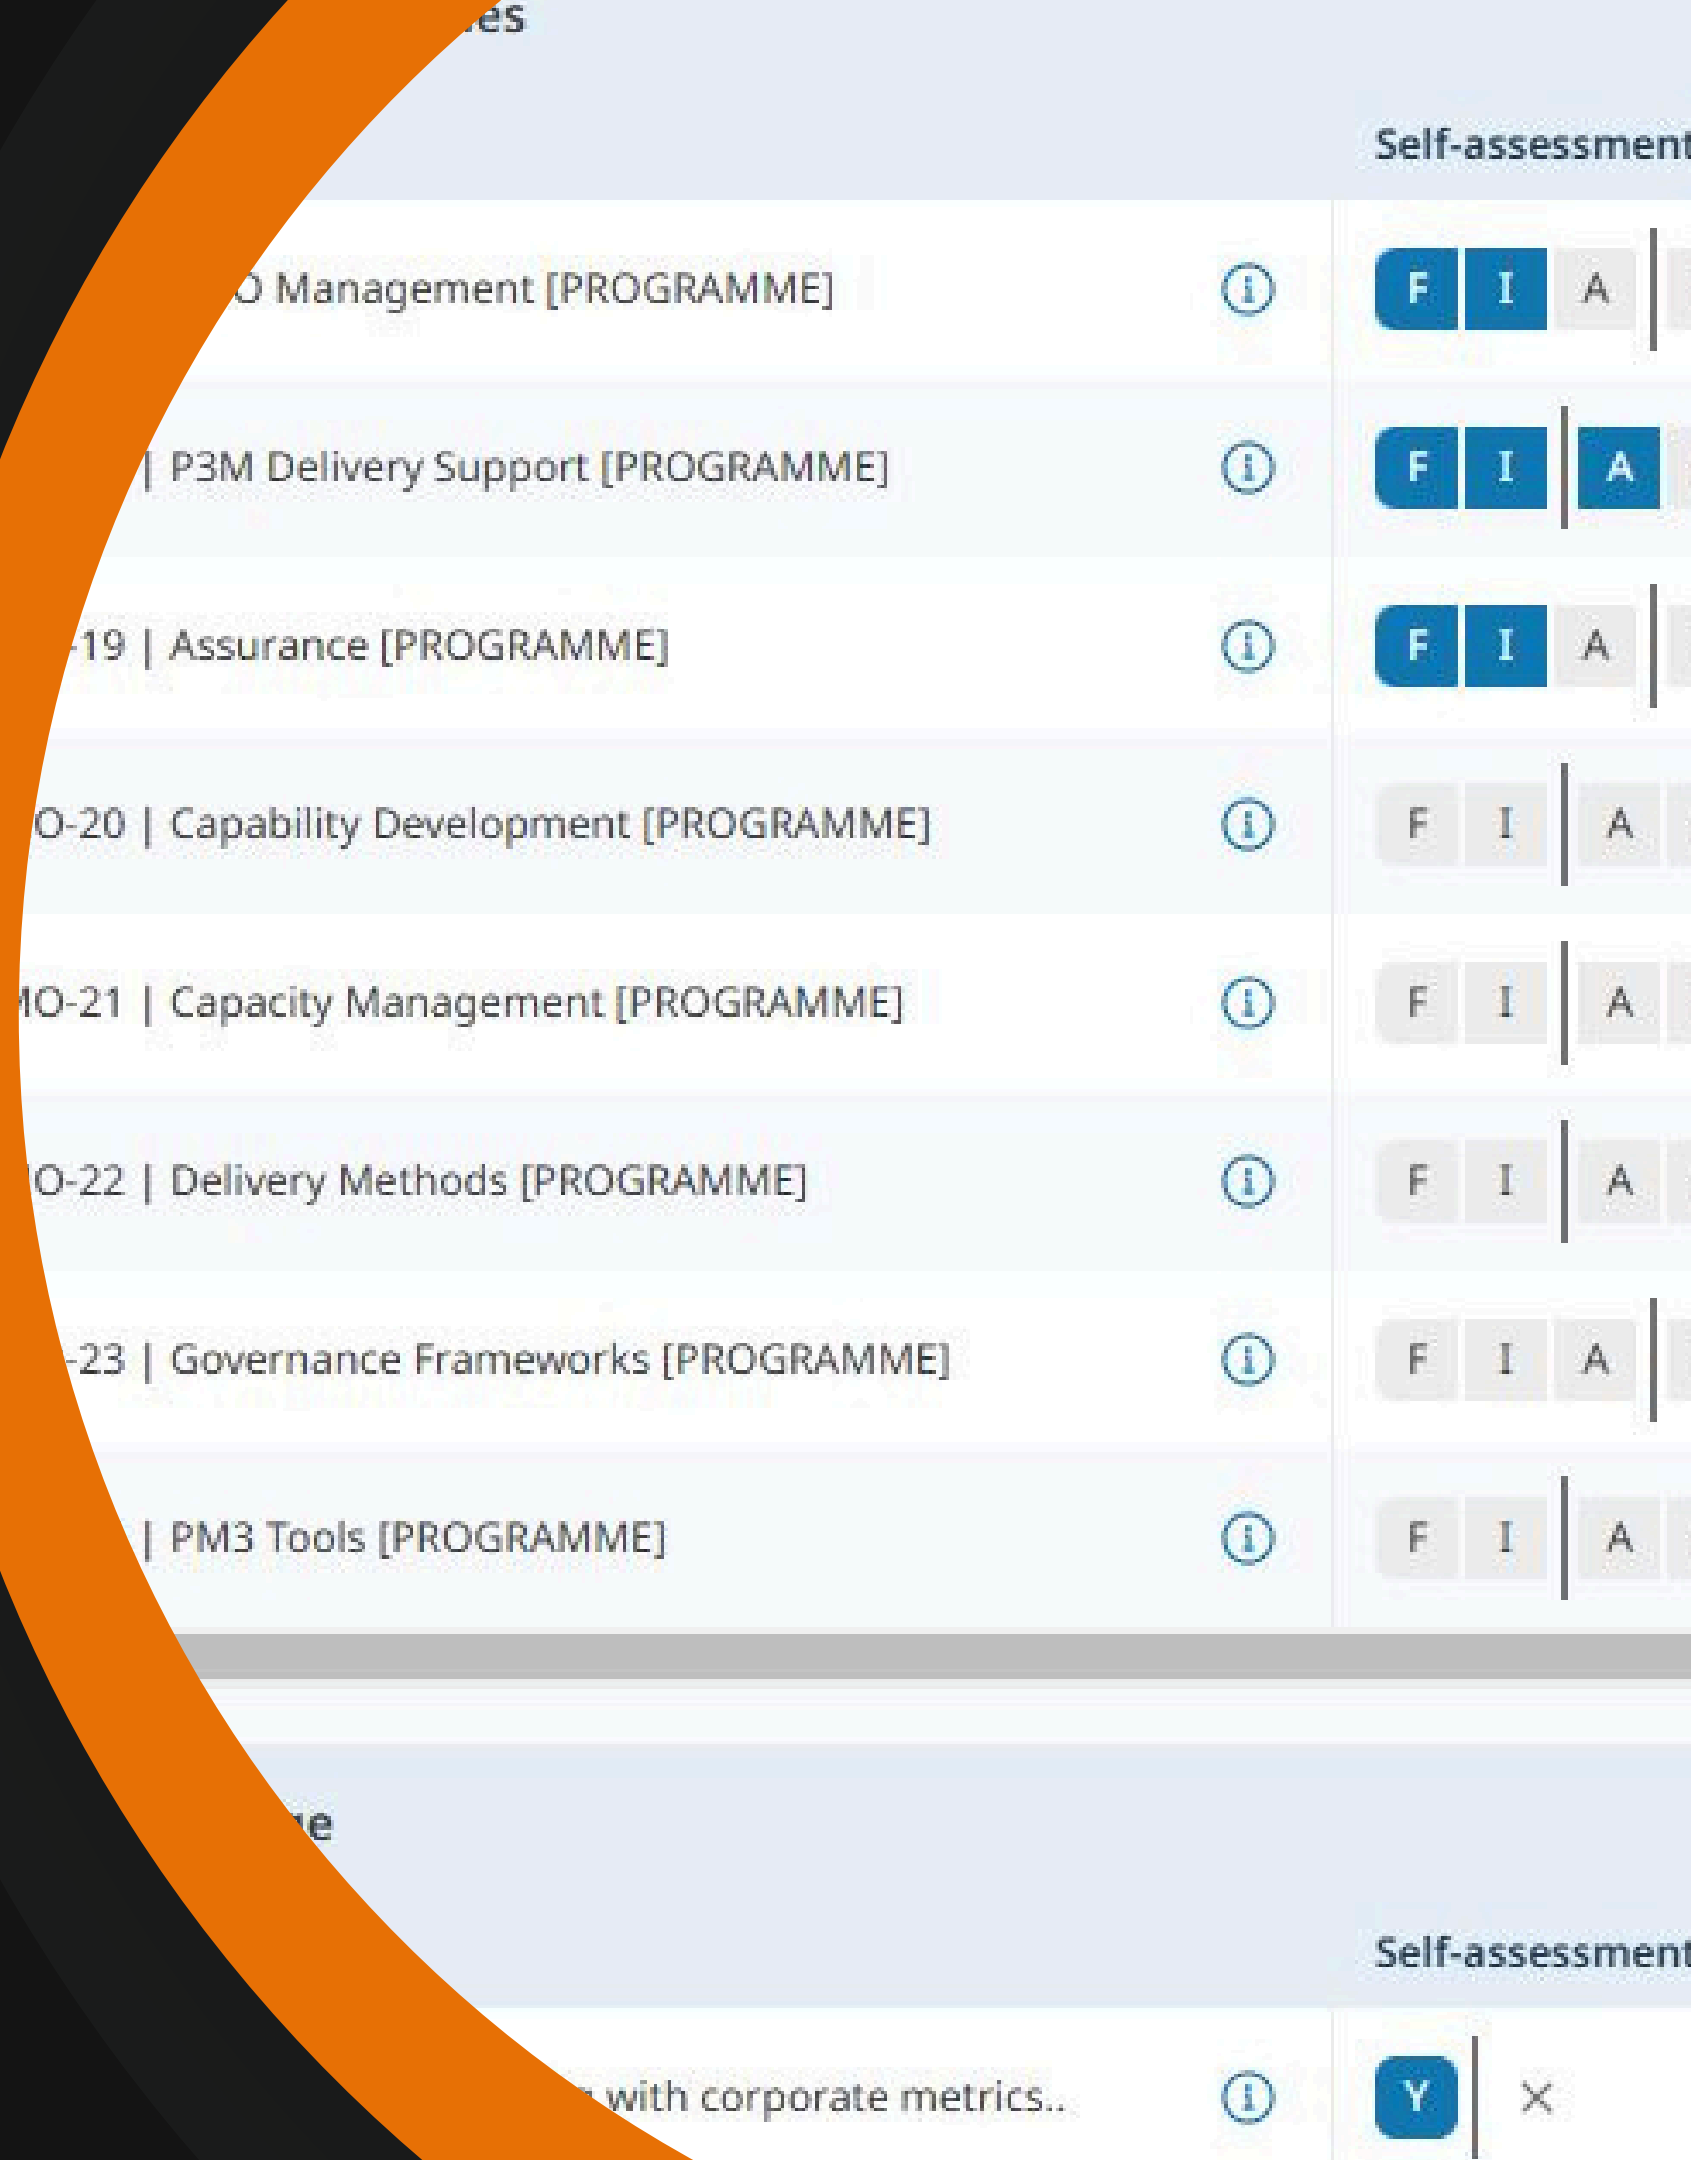

The House of PMO has an online PMO Competency self-assessment tool which is available to your whole PMO team.

Any of your named individual members can access the system or you can choose to have your own organisation set up to have a wider overview of your team.

Once all your team are registered on the website we will contact each member and start the process of adding them to the Comaea system.

- They will be asked to agree to the terms of use.
- They will then receive their login details to the system.

Once everyone is ready we will run a session with your team on how to carry out the assessment and find linked learning to fill any gaps in their knowledge.

MANAGER ACCESS

To set up organisation access to the Comaea tool we need more details from you such as the hierarchy of the team and the manager's details.

Managers of teams will be given access to the Comaea system, and they will be able to:

- Carry out their own self-assessment (if appropriate)
- Review all the self-assessments their team has completed.
- Run several different reports on those assessments to view where team strengths lie and where gaps may be.

A user guide is made available for manager level access and we will always be able to provide support where needed.

EVENTS

One of the benefits of being a corporate member at the House of PMO is all of your named individual members have access to events which can enhance their learning and development in PMO.

Many PMOs gain incredible insight and help by connecting with and learning from other organisation's PMO practitioners.

The House of PMO helps facilitate this by a number of different types of events – held both in and out of work hours.

- **Virtual Sessions**
- **In-person Sessions**
- **Corporate Only**
- **Roundtable Discussions**
- **PMO Managers Lunch**
- **Annual Specials**
- **Conferences**
- **Seminars**

PMO KNOWLEDGE HUB

With over ten years of events – all the recordings, presentation decks, insights and reports are available for corporate members. All previous PMO Conference presentations are also available.

This is a valuable resource for any PMO practitioner wanting to learn about the competences, knowledge, skills and behaviours required in their role.

We call this the 20% – the informal or social learning which makes up the 70/20/10 rule of professional development.

GROWING WITH THE PROFESSION

The House of PMO have developed four levels of certifications, certified by APMG International.

These four levels are based on the role profiles seen in the PMO Competency Framework.

Training courses are delivered by Accredited Training Organisations – including the House of PMO directly.

PMO LEARNING

The Learning and Development Part of House of PMO – PMO Learning

A range of formal PMO training courses for PMO professionals at all levels of their careers. A blend of certification-based and specialist focus.
