The Home for PMO Professionals

The House of PMO is a professional membership organisation for those working in and around PMOs today. Created in 2013, the House of PMO is a home for anyone working in project, programme and portfolio management offices who wants to keep growing, learning and connecting with others.

The House of PMO offers a library of resources, weekly events, conferences, qualifications and the PMO Competency Framework to support professional development across the PMO profession.

In 2026, PMO Learning joined the House of PMO, adding specialist training and certification courses delivered both publicly and in-house for organisations. Together, we provide complete support for PMO professionals at every stage of their journey.

Membership

We offer four membership options designed to support PMO professionals and organisations at every level.

Individual Membership

Individual membership gives you full access to the House of PMO's resources, tools, and community – so you can take control of your career, sharpen your skills, and stay one step ahead in a fast-changing project world.

Corporate Membership

If you're running a PMO or project support team, we offer corporate membership for organisations with additional team-based benefits for you and all your named members.

Working in the NHS?

We offer discounted membership rates for NHS employees, just sign up using your NHS email address and the discount will automatically be applied when you complete your purchase.

Student Membership

If you're currently studying and want to know more about a career in PMO or project management, take a look at our student membership and jump into PMO.

Individual Membership

Individual membership is for anyone working in or around PMOs who wants to take charge of their career.
